Fly DELTA between Brunswick Golden Isles Airport and Hartsfield-Jackson Atlanta International Airport and take advantage of new, low fares on selected dates from **August 23, 2016** through **February 9, 2017**.

### **A new way to find your lowest fare:**

Go to [Delta.com](http://Delta.com) and select "Book A Trip." When you enter your desired travel dates, consider selecting the "Flexible Days" option to see extended combinations of dates and fares. Then click on "Find Flights" to see a graph showing multiple options of dates and prices that include three days prior to and after your selected dates, with the lowest fares noted. The site will direct you to a selection of flights available for your dates. To see a wider range of dates, select the 5-week outlook under "Calendar View." When you click on an itinerary, the site takes you to the scheduled flights for those dates.

**Basic Economy Fares**, which can be lower than the site's primary listing, will appear on the fares for the day's flights. Certain restrictions apply: read the limitations carefully. It's easy to make a selection and book your flight - at the best prices available!

*Please note: **Book your flights promptly.** Fare specials are priced very competitively, so seats can sell out quickly. Seats may not be available on all flights or all dates of travel. You may need to have flexible travel dates to find these fares.*
