Find your lowest fare in 2018!

Priced as low as

\$146.10

Basic Economy Fare*

Per round trip including ALL taxes and fees.

Special fares through 2018

Plan your trip between Atlanta and the Golden Isles now- and enjoy substantially reduced fares on selected days. Many date options are available under \$200 on this special offer. Book your flight today, while seats are still available at these low prices!

Fares will vary according to the day of the week and season, but the lowest fares are often on Tuesday, Wednesday and Saturday.

*Please note: **Book your flights promptly.** Fare specials are priced very competitively, so seats can sell out quickly. Seats may not be available on all flights or all dates of travel. You may need to have flexible travel dates to find these fares.*

A new way to find your lowest fare:

Go to Delta.com and select "Book A Trip." When you enter your desired travel dates, consider selecting the "Flexible Days" option to see extended combinations of dates and fares. Then click on "Find Flights" to see a graph showing multiple options of dates and prices that include three days prior to and after your selected dates, with the lowest fares noted. The site will direct you to a selection of flights available for your dates. To see a wider range of dates, select the 5-week outlook under "Calendar View." When you click on an itinerary, the site takes you to the scheduled flights for those dates.

***Basic Economy Fares** have certain restrictions: read the limitations carefully. It's easy to make a selection and book your flight -at the best prices available!
