Travel Tuesday Special Fares!

It’s Travel Tuesday, the best time to plan ahead and purchase tickets for trips in 2020! Fly Delta between Brunswick Golden Isles Airport (BQK) and Hartsfield Atlanta International Airport (ATL) for as low as $98.60.

Per round trip including ALL taxes and fees for many dates in the coming months, many flights are available for under $100 round trip. Please note: Book your flights promptly. Fare specials are priced very competitively, so seats can sell out quickly. Seats may not be available on all flights for all dates of travel. You may need to have flexible travel dates to find these fares.

Here’s how to find your lowest fare at delta.com:

Go to deltac.com, select “Book” and enter airport codes, BQK for Brunswick Golden Isles Airport and ATL, for Atlanta Hartsfield International Airport. Select the desired travel dates, then indicate a round trip or one-way ticket. Enter the number of passengers on your trip and click on the white arrow in the red circle on the extreme right side of the menu bar. Available flights and prices will come up and you may select your flight and proceed to purchase your ticket. To explore other options to find the lowest prices, check the box with the words “My dates are flexible” beneath the trip dates before you click on the white arrow. This will take you to a graph that shows extended combinations of dates and fares. When you click on an itinerary, the site takes you to the scheduled flights for those dates. If you are comparing the cost of travel from Brunswick Golden Isles Airport with other regional airports, remember that parking at the Brunswick airport is free.
