New Year, New Surface

It's a Clean Sweep

Mark Your Calendar

Keep Golden Isles Beautiful (KGIB) has honored the Glynn County Airport for its efforts in cleaning up the surrounding area. The Airport Commission has worked hard to maintain a clean environment for both passengers and visitors. They have implemented new practices and policies to ensure that the area remains tidy and free of litter. This effort is part of the Airport's commitment to providing a safe and welcoming environment for all.

More Passengers Fly BQK

The number of passengers boarding Delta flights at Brunswick Golden Isles Airport (BQK) has increased significantly over the past year. In December 2018, Delta reported a 14.92% increase in the number of passengers flying to or from BQK compared to the previous year. This growth is a positive trend that reflects the increasing popularity of BQK as a hub for leisure and business travel. The airport has been working hard to accommodate the growing demand, and they are committed to providing top-notch service to all passengers.

Aircraft Association's Young Eagles Rally

The Experimental Aircraft Association (EAA) is hosting a Young Eagles Rally at Brunswick Golden Isles Airport (BQK) on Saturday, May 2. This event is designed to introduce young people to the exciting world of aviation, and it is open to anyone ages 8-17 who wants to learn more about flying. Participants will receive complimentary flight training and the opportunity to fly in a small plane. This event is perfect for anyone who wants to explore the possibilities of flight and make new friends in the aviation community.

Clean Sweep Awards

The Glynn County Airport Commission has recognized the efforts of the Airport Commission in keeping the airport clean and tidy. The commission has been working hard to maintain a clean environment for both passengers and visitors, and they have implemented new practices and policies to ensure that the area remains tidy and free of litter. This effort is part of the Airport's commitment to providing a safe and welcoming environment for all.

New Year, New Surface

The St. Simons Island Airport has been working hard to maintain a safe and smooth runway. In 2020, they will be performing a seal coating project that will add years to the life of the surface. This project is part of the airport's ongoing commitment to providing top-notch service to all passengers. The airport is working hard to ensure that the runway is in top condition, and they are committed to providing a safe and smooth ride for all passengers.
