## EAA Ford Tri-Motor Tour St. Simons Island Airport

### Ford Tri-Motor Tour

**St. Simons Island Airport- November 18th - 21st**

Recall the energy, passion, and excitement of the Roaring '20s by flying aboard the Ford Tri-Motor. Known as the first luxury airliner, the Ford Tri-Motor redefined world travel and marked the beginning of commercial flight. Our tour stops are hosted by volunteers who are passionate about sharing the Ford Tri-Motor's stories.

We invite families to visit and learn all about our aircraft and our organization. Viewing the aircraft is free, so be sure to bring your camera along.

Revenues from the Ford Tri-Motor tour help cover maintenance and operations costs for the aircraft and aid our ambition to keep the "Tin Goose" flying for many years to come.

Flights run continuously throughout the day (Thursday 2-5PM, Friday through Sunday 9AM-5PM). Please check-in with our crew onsite as early as possible on the day you wish to fly.

#### Ford Tri-Motor Pricing

\$72 Adult (advance)

\$77 Adult (walk-up)

\$52 Children 17 & Under

Here is your rare opportunity to fly in an authentic Ford Tri-Motor, America's first mass-produced airliner.

Each flight experience is approximately 30 minutes, of which about 15 minutes will be in the air. You will need to be seated while the Ford Tri-Motor is airborne; however, each seat is located next to a window.

If you are interested in booking a full flight, please contact Membership Services at 877-952-5395.
