## Award for Glynn County Airport Commission is Meaningful in Miles and Smiles

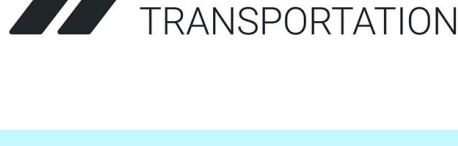

The Glynn County Airport Commission warmly welcomed the Georgia Airport Association (GAA) to the Golden Isles where the association's annual conference was held on Jekyll Island in November. At the event the Airport Commission was exceedingly honored to receive a Special Appreciation award for its notable contribution to and in support of GAA's 2023 Legislative Flight Tour. Special gratitude from the Airport Commission also extends to Golden Isles Aviation, Lance Toland and Associates, four local pilots who donated their time and expertise, as well as the legislators who joined in on the legislative flights.

## Young Eagles are Flying the Best

The St. Simons Island Airport at McKinnon Field fielded a soaring success on Saturday, November 18th with the Fall Young Eagles Rally! Seven accomplished pilots took 55 aspiring aviators ranging in age from 8 to 17, on unforgettable airborne journeys. For 19 youth, their experiences at the rally event marked their first-ever flights and 28 in the group had only experienced flight once before, further kindling an interest in aviation.
